North East London CKD Training Programme

NEL Training Hub would like to invite you to attend the second session of the NEL CKD Programme on Thursday 13th July at 1pm.

Topic: Coding and managing risk for CKD - how and why?

Learning objectives:

- How to diagnose and code CKD
- What are the risk factors for CKD, how are they treated, how is risk quantified
- Who and what you need to be checking with worked case examples

Click [here](#) to register.

EQUIP Fundamentals of QI Methodology Training

Fundamentals of QI Methodology Training will be taking place online on Monday 10th July from 1.30pm to 4pm. The training will give you the essential tools to make practical changes to your practice by bringing real-life examples of challenges in practices and tackle your problems with quality improvement tools.

Anyone within the practice can register, whether you are a doctor, part of the clinical team, admin/receptionist or management team.

To register, please click on the [Eventbrite link](#)

Demystifying Self-Harm

This course will allow the space for participants to have open conversations about self-harm, including unpacking our own feelings and attitudes around self-harm (including thinking about our own faith, beliefs, life experience) and acknowledge them so that we are informed of how they may present and impact the support we provide.
