Please contact Zehra Safdar - zehra.safdar@nhs.net if you have any queries.

GP - Community Pharmacy Consultation Service

Open to General Practice staff across NEL.

A referral process from a General Practice to a Community Pharmacist GP CPCS has been developed & rolled out successfully both nationally and within NEL. To allow GPs to create additional capacity giving them more time and focus to see patients who would otherwise be required to wait longer for appointments. Also to enable pharmacists to utilise their skills and knowledge to further serve the community.

These sessions will be held virtually via Microsoft teams.

Dates:

Tuesday 19th September 2023| 10.00 - 12.00

Thursday 19th October 2023| 13.00 - 15.00

Thur 16th November 2023| 10.00 - 12.00

Thursday 14th December 2023| 13.00 - 15.00

To register for any of the dates above [click here](#).

Further information about GP CPCS can be found [here](#).

Please watch a video [here](#) which provides background info on the service.

Understanding Disordered Eating in Adults

This newly launched three hour course delivered virtually provides an introduction to disordered eating in adults, aiming to increase awareness and understanding. Delivered by a trainer with lived experience of eating disorders, it provides insight into the challenges associated with recovery and guidance on how to make sense of disordered eating and it's function for the individual. The session is aimed broadly at anyone with an interest in learning more about these issues.

Date: Friday 14th July 2023

To register [click here](#).

Limited numbers apply early. Joining instructions will be send 48 hours prior to delivery date

Administration & Clerical Training

Trans Awareness

Trans Awareness 'the basics' – funded workshop for NEL staff

North East London Training Hub are pleased to offer the above workshop open to all staff working in Health and Social Care across North East London. These are introductory workshops lasting just over an hour and half for staff who may not have any previous training or learning on Trans identities. Option of multiple dates available below. Multiple dates available, do book early!

These sessions will not be recorded. Attendance certificate will only be sent to those that complete the feedback survey at the end of the workshop.

To register [click here](#).

North East London CKD Training Programme

NEL Training Hub would like to invite you to attend the second session of the NEL CKD Programme on Thursday 13th July at 1pm.

Topic: Coding and managing risk for CKD - how and why?

Learning objectives:

- How to diagnose and code CKD.
- What are the risk factors for CKD, how are they treated, how is risk quantified.
- Who and what you need to be checking with worked case examples.

[Click here](#) to register.

Thinking Together Enhancing Generalist Skills programme

Enhancing Generalist Skills

Following the NHS Long Term Plan and subsequent People Plan report, Health Education England (HEE) launched the Future Doctor Report, which highlighted the need for a greater proportion of doctors and all other healthcare professionals to have generalist skills.

Workshops dates:

12th Sept 2023

9th Jan 2024

More information can be found [here](#).

To register, please email enhance.london@hee.nhs.uk
