## Executive Medical Leadership Master's Programme exclusively designed for doctors

This is a specialised Master's degree that offers advanced leadership training for doctors, including GPs, Clinical Directors, clinical leads and others, delivered by Bayes Business School.

The course starts September 2024 and deadline for applications is the 5th of August 2024.

BHR CEPN will arrange 100% funding for successful applicants, where needed. Click [here](#) for more information or contact [Kerrie](#)

# Training in Redbridge for Identifying Hidden Carers

To all professionals working in Redbridge across health and social care

Community Support Officer Sylvia Williams at the Redbridge Carers Support Services would like to invite you to join our 'FREE Online Training for Professionals' on 'Identifying Hidden Carers'. You can choose from one of the 3 upcoming dates below:

- Wednesday 1st May 2024, 10 am – 11 am
- Wednesday 5th June 2024, 10 am – 11 am
- Wednesday 4th September 2024, 10 am -11 am

[Click to register](#)

Email [s.williams@rcss.org.uk](mailto:s.williams@rcss.org.uk) or call t: 020 8514 6251 m: 07398 414523 to register your place. Zoom joining instructions to follow nearer the time.

## Health Coach Supervision

**Reserve your place on the PCI's highly anticipated event - Health Coach Supervision**

The correct provision of supervision plays a vital role in the provision of high quality, personalised care for Health and Wellbeing Coaches and the Personalised Care Institute is hosting a Health Coach Supervision webinar to reinforce this message.

TPC Health's Dr Andrew McDowell & Jim Philips will be reviewing current guidance on supervision for Health & Wellbeing Coaches, discussing next steps towards developing quality standards for supervision and showing you how to become a supervisor.

**Date:** Thursday 9th May, 1pm

**This free event is ticketed so be sure to [book your place](#) today.**

## Lunch and learn: QOF delivery through group clinics

**Find details of upcoming webinars below:**

**Webinar 2: [Delivering QOF through group clinics: hypertension and CKD](#)**

**Date:** THURSDAY 16 MAY 12.30 – 13.30

Attend this session and learn how primary care teams are harnessing group clinics to support people living with high blood pressure and CKD.

# BHR Long Term Condition Webinars

Long-Term Condition (LTC) patients are growing in demand and severity, and some have multi-morbidities. There is a need for more responsive and coherent care and treatments need to be devised through collaboration with partners. The BHR LTC education programme was established in order to support both clinical and non-clinical workforce, for different tiered patients to manage these conditions in the most effective way.

## Each LTC condition has been divided into three cohorts:

- 1) Tier 1** is for those patients at the early onset of their LTC experience and can benefit from light touch interventions, particularly looking at lifestyle changes and decisions. The target workforce for these T1 webinars is: Social prescribers / Care coordinators / Health & Wellbeing coaches / Social Care staff / Voluntary and Community Sector staff / Any other workforce who has service users with early onset LTC and can benefit from light touch interventions, particularly looking at lifestyle changes.
- 2) Tier 2** is for those patients with more established LTCs but responding well to interventions. The target workforce for T2 webinars is main grade clinicians – GPs, nurses, pharmacists and other Allied Health Professionals.
- 3) Tier 3** is for those patients with complex conditions or those not responding to/complying with interventions. The target workforce for these webinars is senior clinicians – GPs and advanced clinical practitioners.

See fliers to register

**Cancer Webinar**  
We are pleased to have Mr Jaimin Bhatt, Consultant Urological and Robotic Surgeon at the Queen Elizabeth University Hospital, Glasgow, and Honorary Clinical Senior Lecturer at the University of Glasgow for the Tier 3 cohort

**Tue 7th May 2024 - 1pm to 2pm on Zoom**

**This is part of BHR CEPN LTC Education Programme**  
[CLICK TO REGISTER](#)

This webinar is aimed at all senior clinicians including GPs, Advanced Clinical Practitioners and others involved in the management of cancer.

**What to expect:**  
As May is Bladder Cancer Awareness Month, our invited guest, Mr J Bhatt, will be delivering a talk on the **presentation and management of Urological Cancers**, with focus on Prostate and Bladder cancers.

Local insight from **Dr Bunmi Olajide**, **Dr Sangeetha Pazhanisami** and **Senior HWBC Gee Gahir**.

## PHYSICIAN ASSOCIATE PEER SUPPORT GROUP

'Are you a Physician Associate (PA) in BHR? Would you like to be part of a Peer Support Group for and dedicated to PAs?

PAs have been a vital addition to Primary Care (PC), bringing diversity and capacity to the offer for patients across BHR. Working alongside GPs, you are bringing much needed expertise and capabilities to the PC workforce across England. And now that the quality and profession has been recognised through regulation of the role, it will hopefully bring stability.

At BHR CEPN, we want to bring you all together to share your knowledge, experience and encourage collaboration amongst yourselves. The PA Peer Support group I would like to create will be a safe space to share stories, generate new perspectives on challenges being faced and meet your collective and individual needs. I will support by realising some of the opportunities available to us and responding to some of the challenges. If this is something that is of interest to you then please contact me ,Yasmina Ouerdane, via email: [yasmina@manoravenue.co.uk](mailto:yasmina@manoravenue.co.uk).'

# Managing Clozapine

Thursday 2nd  
May 2024

12PM -1PM

Join our highly anticipated webinar and embark on an enriching journey into the world of Clozapine, a powerful antipsychotic medication. This comprehensive session will equip you with invaluable knowledge and strategies to optimise the use of Clozapine in your practice.

**Date and Time:**

2nd May 2024

12pm - 1pm

**Location:**

Zoom

**Key learning objectives:**

- To confidently carry out an asthma assessment in CYP
- To be able to contribute to the diagnosis of asthma in CYP
- To escalate and deescalate asthma treatment as required
- To be able to manage an acute asthma attack
- To be able to provide competent post asthma attack care

**Register your place [here.](#)**

# An Introduction to Becoming an Anti-Racist Health & Care System

NEL Training Hub is offering a one-day workshop on 'Introduction to becoming an **Anti-Racist Health & Care System.**'

## When:

Monday 13th May 2024, 09:30-16:30

## Where:

Holiday Inn Express Newbury Park King George Conference Rooms Ilford IG2 7RH (parking available)

[CLICK HERE TO REGISTER](#)

## Lunch and refreshment provided

Health and Care staff in North East London are invited to learn about racism in healthcare services and its impact. Our goal is to foster an inclusive culture, address inappropriate or racist behaviours, and understand concepts like privilege and allyship.

Attendees will explore the understanding of racism, its effects on health inequalities, the meaning of being anti-racist, and how to develop an anti-racist approach in their work. Limited spaces are available, [register now or join the waiting list.](#)

## The Role of the Supervisor in Diabetes Management – Webinars

This 2.5-hour webinar is aimed at supervisors i.e. GP trainers, Pharmacists, PA Students and Paramedics; working in North East London. The focus of the programme is supervising health professionals responsible for Diabetes in a multidisciplinary environment. This webinar introduces the supervisor's role and explains the GMC/CQC regulatory requirements.

The theories will build on the importance of ensuring that the learner develops and is motivated to achieve outcomes. The workshop will also focus on the competency assessment framework along with a case-based study for review and discussion.

**Timings:** 10.00 – 12.30

**Dates** (you only need to join one of the dates):

- 7th May
- 21st May
- 30th May
- 13th June

To book a place on any of the above dates, [book here](#). See more information on the flyer [here](#)
