# **Training Needs Analysis Survey**

#### Calling all pharmacy team members across NEL!

NEL ICS are conducting a survey to identify your training needs. This information will help understand if the training people want, or need is what is being offered across NEL and if not, how can this can be facilitated.

Please complete this survey by 30/6/24 which should take no longer than 10 mins.

https://forms.office.com/e/nvLBiiybB9

# Videos of the Week

#### 24-28 JUNE

### BHR CEPN LTC Education Programme

With Long-Term Conditions (LTC) becoming ever more prevalent, it is more vital than ever to be informed on how to prevent, diagnose, treat and manage these ailments. The BHR CEPN LTC education programme was established in order to support both clinical and non-clinical workforce, for different tiered patients to manage these conditions in the most effective way.

The webinars proved to be a huge success amongst our rich and diverse cohorts across BHR with 595 attendees at our live sessions and over 1,190 views online.

# Videos of the Week

Unlock your potential and take a look at our videos of the week:

 one aimed at the Personalised Care Staff, AHPs and main grade clinicians via this link:

#### Diabetic Foot

 another for Advanced Clinical Practitioners via this link:

#### Heart Failure

These two sessions were presented by both clinical and non-clinical workforce proving once again the potential that Multi-Disciplinary Teams can bring to Primary Care.

Find out more about our BHR CEPN here

# **Physician Associate Peer Support Group**

# Are you a Physician Associate (PA) in BHR? Would you like to be part of a Peer Support Group for and dedicated to PAs?

PAs have been a vital addition to Primary Care (PC), bringing diversity and capacity to the offer for patients across BHR. Working alongside GPs, you are bringing much needed expertise and capabilities to the PC workforce across England. And now that the quality and profession has been recognised through regulation of the role, it will hopefully bring stability.

At BHR CEPN, we want to bring you all together to share your knowledge, experience and encourage collaboration amongst yourselves. The PA Peer Support group I would like to create will be a safe space to share stories, generate new perspectives on challenges being faced and meet your collective and individual needs. I will support by realising some of the opportunities available to us and responding to some of the challenges.

If this is something that is of interest to you then please contact me <u>Yasmina Ouerdane</u>.

## Allied Health Professionals in Primary Care Event

Colleagues are invited to an in-person 'Allied Health Professionals in Primary Care' event on Thursday 27th June, 1pm – 4:30pm at NHS England, 10 South Colonnade, Canary Wharf, London.

#### The event keynote speakers will be:

- Caroline Clarke, Regional Director for London, NHSE
- Dr Agatha Nortley-Meshe, GP and London Region Medical Director for Primary Care, NHSE

A networking lunch will be provided for all attendees. Please see the attached poster for details on how to register for this event. Early registration is advised as capacity is limited. Suggested attendees include but is not limited to:

Training Hub Leads, AHP Faculty Leads, GP Leads/TPDs, First Contact Practitioners / Supervisors, PCN Clinical Directors, ICB/Workforce Leads.

To register for this event please click here.

### ELC lunch and learn webinar: Addressing Winter Pressure Through Group Clinics

Attend this webinar and find out from primary care clinicians how being proactive over the summer and autumn helped them address winter pressures (because people know how to keep well in the colder months) - AND smash QOF – most especially amongst those living with asthma and COPD.

Date and Time: TUESDAY 02 JULY 12.30 – 13.30

Book your free slot to attend here.

# Mentoring opportunity for Pharmacy Technicians

The Pharmacy London Team at NHS England Workforce, Training, and Education (WT&E) is initiating a project to evaluate the benefits of mentoring within the pharmacy technician profession.

We are seeking pharmacy technicians from all sectors to participate in the pilot as either mentees or mentors. To ensure a diverse range of mentors with the necessary expertise across various specialties and topics, we are also inviting pharmacists willing to act as mentors.

During the pilot, each mentor will be matched with a mentee based on their area of expertise, prior experience, and the specific reasons for seeking mentoring.

#### Anticipated time commitments for participants include:

- 09 July 2024 (3pm 4pm): Attendance at an initial group session (1 hour) with all participants (either in person or virtually).
- Three independent mentoring sessions to be conducted between 10 July and 18 October 2024. Dates to be agreed between mentor and mentee.
- 22 October 2024 (pm): Participation in an evaluation focus group for all participants (1 hour), along with the completion of an end-of-pilot questionnaire.
- Participants should ensure you are able to attend the dates above before submitting an interest to participate in the pilot.

<u>Link to expression of interest form</u> (for both mentee or mentors). The closing date to submit an expression of interest is Monday 3rd June 2024 and places will be allocated on a first come first served basis.

If you have any questions, please contact Trishna Patel.

# NORTH EAST LONDON CKD TRAINING PROGRAMME 2024

NEL Training Hub invites you to attend a valuable webinar on Chronic Kidney Disease (CKD) on Wednesday, 26th June at 1pm.

#### This session will cover:

- Tests for newly diagnosed CKD
- Managing advanced CKD in the community.

#### These sessions are led and organised by:

- Dr. Gavin Dreyer, Consultant Nephrologist and Physician, Whipps Cross Hospital, Barts Health NHS Trust
- Dr. Chris Carvalho, GP & CVD and CKD Clinical Lead, North East London

Designed for clinicians and healthcare providers, this webinar offers a unique platform to gain in-depth knowledge and share best practices.

Secure your spot today and don't forget to share this invitation with your colleagues and peers to help spread the word.

#### **Resources:**

Access all previous CKD recordings here, plus recordings on various other topics!

#### **CLICK HERE TO REGISTER TO THE ONLINE SESSION**

## New Cervical Screening Management System (CSMS) Launch

#### Date and Time:

- Monday, 24th June 2024
- Time: 7:00 AM

The long-anticipated launch of the new Cervical Screening Management System (CSMS) is scheduled for Monday, 24th June 2024, at 7:00 AM. This update is crucial for all sample takers in general practice, Practice Managers, and NHSCSP administrators in PCNs, Federations, and extended hours services.

For convenience, the CSAS Update for June 24th is **attached**. Please ensure this information is shared within relevant networks.

# Enhanced Health in Care Homes workshop

#### Presented by

Dr Uzma Haque BHR Clinical Lead for frailty and aging well

Mike Armstrong Director at Care Providers Voice

North East London **Training Hub** 

# PROVIDERS' healthwotch

# <u>What can you expect?</u>

The enhanced health in care homes (EHCH) framework has been developed by NHSE to provide clarity and consistency in what primary and social care practitioners can expect from working collaboratively to deliver high quality care to patients/residents.

The webinar will cover the EHCH principles, DES requirements, implementation guidance, and more. Don't miss this opportunity to: - Explore your role in providing coordinated, proactive, personcentred care for residents

- Share your own experiences on how to effectively collaborate through weekly rounds, MDTs, etc.

- Have your questions answered by experts

The workshop will also be a launch for the guides and infographic developed by local experts to help understand roles and responsibilities.

We will also set out our plans for a NEL-wide programme of support and development, bringing together workforces from PCNs and aligned care homes to develop your own approaches to multidisciplinary working to deliver on the requirements of the EHCH framework

Please <u>click here</u> to register

### Friday 5th July 2024 1-2pm

# **HCA** Development Training

Please find the latest HCA development training flyer <u>attached</u>. Further dates have been added, and more dates and providers will be included as the training schedule evolves. For any questions, please reach out for more information.

we are pleased to provide all the necessary information and flyers for booking various upcoming courses. These include:

- CPD (RGN, NA, AHP)
- <u>HCA</u>
- <u>SSSA</u>
- <u>Social Care</u>
- Functional Skills

Don't miss out on these valuable opportunities for professional advancement. Find your guide to booking training <u>here.</u>

# **Demystifying Self-Harm**

This course will allow the space for participants to openly explore thoughts/feelings and to have open conversations about self-harm. This workshop will allow the space for participants to have open conversations about self-harm, including unpacking our own feelings and attitudes around self-harm (including thinking about our own faith, beliefs, life experience) and acknowledge them so that we are informed of how they may present and impact the support we provide.

**<u>CLICK HERE</u>** for dates and more course details

NOTE there is a £50 charge that will be enforced for failure to turn up following booking, or cancellations less than 10 days prior to course. There is a fixed cost commitment that is irrecoverable to secure learning materials.

# **Apprenticeship Opportunities**

## There's Still time to join the Next Nursing Associate Apprenticeship Cohort Starting in September

2024!

The Nursing Associate role is gradually gaining recognition in its own right as part of the General Practice Nursing team. The apprenticeship provides a great opportunity for you to 'grow' an existing Healthcare Assistant or to recruit new staff into the Practice.

Please contact <u>Kerrie</u> for more information and to book onto a Briefing.

Trainee Nursing Associate (TNA) apprentices are paid staff. There is potential to use ARRS funding to cover the TNA (Trainee Nursing Associate) role - subject to PCN decision. The cost of the training is 100% covered through apprenticeship levy transfer, arranged by BHR CEPN. In addition, employers with TNAs receive NHSE funding to support the educational infrastructure required for them to undertake essential practice based learning.

Please contact Kerrie for more information and to book onto a Briefing.

#### **Executive Medical Leadership Masters**

A specialised Master's degree that offers advanced leadership training for doctors, including GPs, Clinical Directors, Clinical Leads and others. Delivered by Bayes Business School and 100% funding from BHR CEPN for successful applicants where needed. The course starts September 2024 and applications close **5th August** 2024.

For more information please visit:

Executive Master's in Medical Leadership | Bayes Business School (city.ac.uk)

To learn more, follow this link to the <u>information sheet</u> and to submit an application <u>click the link</u>. Please contact <u>Kerrie Haley</u> for further information.

Please also apply for apprenticeship levy funding transfer by submitting a funding request via this link.

#### Level 5 Management Apprenticeship (Operations or Departmental Manager)

Are you looking to further your existing management skills?

This apprenticeship is suitable for existing Practice Managers, Business Managers, operational and middle managers – or people who are moving into these roles.

Improve your skills and gain an industry recognised qualification through apprenticeships. For further information contact Kerrie Haley.

#### Business Analyst Training to Support Digital and Transformation Leads

Are you looking to further your business analyst skills?

This apprenticeship standard, lends itself to be customised to job roles such as PCN, Digital and Transformation Leads and also other business management roles. We are working with a training provider who has extensive experience with Primary Care workforce training and has developed a specialist offer. For further information, contact <u>Kerrie Haley.</u>

# **NHSE Apprenticeship & Notices**

#### **GPN Celebration Event - Register now**

#### Date/Location: 12th July 2024 at 9:00am - 5:00pm/

#### Regent's University London, Inner Circle, London, NW1 4NS

Registration is now open for the 2024 GPN Celebration event. Breakfast, lunch, and afternoon tea will be provided at this all-day celebration event, and GPNs can obtain CPD hours for their NMC revalidation.

This event is free to attend, however if you can no longer attend, please do contact: <u>selicb.beth@nhs.net</u> to cancel your ticket. For more information and to register for this event, <u>visit the site</u>.

### Allied Health Professionals in Primary Care Event

#### Date: Thursday 27th June, 1pm – 4:30pm

Colleagues are invited to an in-person 'Allied Health Professionals in Primary Care' event on Thursday 27th June, 1pm – 4:30pm at NHS England, 10 South Colonnade, Canary Wharf, London. The event keynote speakers will be:

- Caroline Clarke, Regional Director for London, NHSE
- Dr Agatha Nortley-Meshe, GP and London Region Medical Director for Primary Care, NHSE

A networking lunch will be provided for all attendees. Please see the attached poster for details on how to register for this event. Early registration is advised as capacity is limited. Suggested attendees include but is not limited to:

Training Hub Leads, AHP Faculty Leads, GP Leads/TPDs, First Contact Practitioners / Supervisors, PCN Clinical Directors, ICB/Workforce Leads.

The event agenda will follow shortly.

#### National Apprenticeship and Skills Awards 2024

The Department for Education's National Apprenticeship and Skills Awards return for their 21st year. They provide a fantastic opportunity to showcase the apprentices, employers and champions who have excelled this year. 2024 also sees the introduction of two T Levels awards, to celebrate the success of T Level employers and students across the country.

The awards are free to enter, with entries made through the <u>application website</u>.

#### T Level Industry Placements needed for 2nd Year Lab Science T Level Students

Barnet and Southgate College are seeking placements for their T Level Lab Science students from September 2024 (possible induction end of June 2024) - if you can support these students or would like to know more information, please contact <u>CHURCHILL</u>, <u>Claire (NHS ENGLAND - T1510)</u> as soon as possible.
